### **Noor Dermatology and Aesthetics Announces Partnership with Revival Research Institute to Expand Dermatology Clinical Trials in North Carolina**

Cary, NC – Noor Dermatology and Aesthetics, founded by board-certified dermatologist Dr. Zain Husain, is proud to announce a new partnership with Revival Research Institute, LLC, a nationally recognized clinical research organization. This collaboration will bring dermatology clinical trials to Cary and the greater Raleigh-Durham (Triangle) region, offering patients access to potential new therapies while receiving trusted, compassionate care close to home.

#### **Advancing Research for Local Communities**

Noor Dermatology and Aesthetics has long been committed to blending advanced medical expertise with a patient-first philosophy. By joining with Revival Research Institute, the practice expands its mission to empower patients with opportunities to participate in FDA-regulated clinical research studies. These studies explore potential treatments for a wide spectrum of skin conditions, helping advance dermatologic care while keeping patients at the center of every decision.

“Our goal has always been to serve our community with integrity, compassion, and innovation,” said Dr. Zain Husain. “Through this partnership, patients will have access to investigational treatments and the chance to contribute to the future of dermatology—all without leaving the Triangle area.”

#### **What Patients Can Expect**

Noor Dermatology and Aesthetics will serve as a clinical trial site for studies focused on:

- Inflammatory skin disorders
- Chronic dermatologic diseases
- Aesthetic concerns

Patients who qualify for participation may receive:

- Access to investigational treatment options at no cost
- Comprehensive medical oversight throughout the trial process
- Personalized care in a familiar and supportive setting

All studies are conducted under Good Clinical Practice (GCP) standards, ensuring that patient safety, privacy, and ethical care remain top priorities.

#### **A Shared Commitment**

This partnership unites the clinical excellence and community trust of Noor Dermatology and Aesthetics with the national expertise in clinical trial operations and regulatory compliance of Revival Research Institute. Together, the alliance creates meaningful opportunities for patients to engage in groundbreaking research while receiving the highest level of dermatologic care in their own community.

#### **About Noor Dermatology and Aesthetics**
